| 5-0246-01 | Replacement Lithium Battery "123" | 1 |
| 5-0246-05 | Replacement Lithium Battery "123" | 5-pk |
| 5-0240-52 | Replacement Lamp for Fiber Optic Handle | 1 |

HOWLAND LOCK

Natural lifting simplifies laryngeal exposure, making intubation possible even in the most difficult cases. Built-in leverage prevents prying and reduces possibility of broken teeth. Adapts to all hook-on laryngoscope handles and blades and can often make an otherwise certain tracheotomy unnecessary.

| CAT# | DESCRIPTION | BOX |
|-----------|--|-----|
| 5-0236-16 | Fiber Optic Howland Lock - Stainless Steel | 1 |

Laryngoscopes - Conventional Illumination

Handles For Conventional Blades

TWO CHOICES

- Chrome plated brass
- Surgical stainless steel-waterproof (May immerse in disinfectant, not necessary to remove batteries)

| CAT# | DESCRIPTION | BATTERIES |
